

# TRAFFIC MANAGEMENT at GRANGE PS

## PICKING UP AND DROPPING OFF CHILDREN

### Jetty Street and Surrey Street PROCEDURES

These zones are designed to ensure the safety of school students and parents at the beginning and end of each school day. Unfortunately a minority of motorists choose to ignore their responsibility to the school and the community and park illegally in these zones. The most common offence in these areas is over staying the 2 minute time limit or leaving the vehicle unattended.

**There is absolutely NO PARKING in the designated Drop Off and Pick Up Areas  
Between 8.30am and 9.00am – 3.00pm-3.30pm**

**YOU DO NOT PARK YOUR VEHICLE IN A DROP'N'GO  
YOU DO NOT LEAVE YOUR VEHICLE IN A DROP'N'GO  
THIS IS A 2 MINUTE AREA-NOT A PARKING AREA**

## DROP OFF-PICK UP AREA (Drop'n'go)

### Jetty St. and Surrey St.

**A "Drop'n'go" is like a tunnel-in one end an out of the other- no one should have to parallel park in a "Drop'n'go"**  
**Please follow the following simple rules.**

#### Dropping Off

- Each vehicle drives as close to the front of the line/area as possible (do not stop in front of the Jetty St gate)
- Children disembark
- The vehicle merges back into the traffic
- Each new vehicle should continue as close to the front of the line as practical- do not leave spaces in front of your vehicle.
- If you have not yet allowed your children to exit your vehicle and the vehicle in front of you is merging into traffic, wait a few seconds and drift into their space – this will give more room behind for vehicles to enter the "Drop'n'go" area.

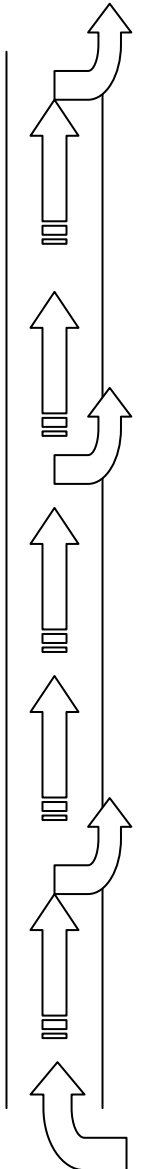

#### Picking Up

- Each vehicle drives as close to the front of the line/area as possible (do not stop in front of the Jetty St gate)
- As this is a 2 minute limit, leave your engine running.
- If the vehicle in front merges back into traffic, move into their space to allow room at the back of the line for more vehicles.
- Each new vehicle should join the line at the back.
- Once your children are safely in the vehicle, merge into the traffic and the car behind you should take your space.
- This should produce a constant moving line.

SURREY STREET

## JETTY STREET KERB

## **School Rules re the use of Bikes and Scooters**

- Bikes and Scooters should not be ridden in the school grounds- please walk your bike or scooter.
- When leaving your bike or scooter in the bike enclosure it is still recommended that they are secured with a lock. Remember even though the bike enclosure is locked during the school day bikes/scooters can still be stolen.

## **No Parking**

**Parents/visitors are not permitted to park in these areas unless they have a permit or permission from the School between 8.30am and 3.30pm on school days.**
