MOBILE PHONE POLICY

At Grange Primary School, we discourage students from bringing mobile phones to school, as they are able to access both classroom and front office phone in an emergency by negotiation with a staff member.

The school accepts no responsibility for lost, damaged or stolen phones.

However if students bring their phone to school it must be used appropriately, within the following guidelines.

- Mobile phones may be used to receive, return, or make calls **only** at the following times on a school day
 - * before school starts at 8.45am
 - * after school finishes at 3.15pm **or**
 - * by negotiation with staff
- Students with cameras in their phones are reminded that they are **not permitted** to take photos of any person(s)
- To phone or text parents/caregivers when not well , students go to the Front Office where school staff will contact relevant adults to make arrangements for the student.

CONSEQUENCES OF NON-COMPLIANCE WITH THIS POLICY WILL INCLUDE:

- School planning in front office where student will place phone in a labelled envelope and collected from front office at end of school day
- Contact with parents/carers to discuss the incident.
