

GOVERNING COUNCIL SUB-COMMITTEES

Our Governing Council sub-committees help manage many of the important aspects of our school.

There will be seven sub-committees:

1. Grounds and Facilities
2. Sport
3. Education
4. Finance
5. Canteen
6. Out of School Hours Care
7. Fundraising

You do not need to be a member of our Governing Council to join one of the sub-committees. All that is required is an interest in this area and a willingness to help out.

Our sub-committees generally meet once a term, although they sometimes organise an additional meeting during busy times.

People can join sub-committees at anytime during the year.

All Governing Council members belong to at least one sub-committee.

If you are interested in joining a sub-committee, please contact Jacki in our front office or speak with a member of our Governing Council.

There will be some information about the work of our sub-committees at our Annual General Meeting.
