## FAMILY COMMUNICATION

Information regarding the available options for school/family communication

Grange Primary School have updated the way we communicate with our families.

We now have three different school communication methods:

1. Skoolbag — Instant alerts on your device for immediate attention and for parents/caregivers to notify student absences to the school 24/7
2. Daily Digest—for newsletter articles and news on school events on our website and via email.
3. Classroom Communication— Each class utilises a specific app for example Seesaw or Dojo. Please see your class teacher for further information

How to install Skoolbag:

From your mobile phone/tablet, Go to the App Store and search for Skoolbag  
Download the free Skoolbag app  
Open and App and add your school and your ready to go  
Please select allow notifications on your device
