

School Improvement Plan Summary

Grange Primary School

Goals	Targets	Challenge of Practice	Success Criteria
Goal 1- Students will be academically stretched to improve achievement in English.	2022: <ul style="list-style-type: none"> 90% of students R-6 will receive a C grade or above in English Year 3 NAPLAN reading high band achievement increases from 61% (average 2018-2021) to 66% Year 5 NAPLAN reading high band achievement increases from 35% (average 2018-2021) to 40% Year 3 NAPLAN writing high band achievement increases from 47% (average 2018-2021) to 52% Year 5 NAPLAN writing high band achievement increases from 13% (average 2018-2021) to 18% 	If we differentiate teaching and learning of English we will gain stretch and improvement for all learners	<p>Student success criteria (what students know, do and understand). We will see each student-</p> <ul style="list-style-type: none"> set and review learning goals on a regular basis know their data and next steps for their learning in English write a variety of text types for specific purposes and audience use reading strategies to strengthen fluency and comprehension
	2023: <ul style="list-style-type: none"> 92% of students R-6 will receive a C grade or above in the end of year report in English Year 3 NAPLAN reading high band achievement increases from 66% to 70%. Year 5 NAPLAN reading high band achievement increases from 40% to 45%. Year 3 NAPLAN writing high band achievement increases from 52% to 55%. Year 5 NAPLAN writing high band achievement increases from 18% to 25%. 		
	2024: <ul style="list-style-type: none"> 95% of students R-6 will receive a C grade or above in the end of year report in English Year 3 NAPLAN reading high band achievement increases from 70% to 75%. Year 5 NAPLAN reading high band achievement increases from 45% to 50%. Year 3 NAPLAN writing high band achievement increases from 55% to 60%. Year 5 NAPLAN writing high band achievement increases from 25% to 30%. 		
Goal 2- Students will be academically stretched to improve achievement in Mathematics.	2022: <ul style="list-style-type: none"> 88% of students R-6 will receive a C grade or above in Mathematics Year 3 NAPLAN numeracy high band achievement increases from 40% (average 2018-2021) to 45% Year 5 NAPLAN numeracy high band achievement increases from 27% (average 2018-2021) to 32% 	If we differentiate teaching and learning of Mathematics we will gain stretch and improvement for all learners	<p>Student success criteria (what students know, do and understand). We will see each student-</p> <ul style="list-style-type: none"> describe what they are learning in mathematics and identify their strengths and next steps for learning show evidence of mathematical thinking and learning think and learn like a mathematician apply mathematical thinking across the curriculum
	2023: <ul style="list-style-type: none"> 90% of students R-6 will receive a C grade or above in the end of year student report in Mathematics Year 3 NAPLAN numeracy high band achievement increases from 45% to 50%. Year 5 NAPLAN numeracy high band achievement increases from 32% to 35%. 		
	2024: <ul style="list-style-type: none"> 95% of students R-6 will receive a C grade or above in the end of year student report in Mathematics Year 3 NAPLAN numeracy high band achievement increases from 50% to 55%. Year 5 NAPLAN numeracy high band achievement increases from 35% to 40%
