## FAMILY COMMUNICATION

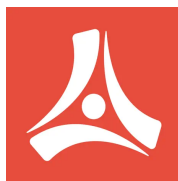

Information regarding the available options for school/family communication

Grange Primary School have updated the way we communicate with our families.

We now have four different school communication methods with various purposes:

1. We use a tool called Edsmart which directly sends communications to family email addresses. If you aren't receiving these please email the school on [dl.1022.info@schools.sa.edu.au](mailto:dl.1022.info@schools.sa.edu.au) to check/update your email address.
2. Classroom Communication— Each class utilises a specific app for example Seesaw or Dojo. Please contact your class teacher for further information. Staff contact email information is listed on the school's website under the tab "Staff".
3. Grange Spotlight: for news on what is happening at Grange PS.
4. Audiri — For school sickness and late slip notifications.

Information on how to download phone app listed below.

How to install Audiri:

If you are on iPhone or iPad, go to the App Store.

If you are on Android, go to the Play Store.

Search for **Audiri: School Communication**

Download the app and sign up for an account with the email address you have provided the school.

How to view the Grange Spotlight.

Visit <https://www.grangesch.sa.edu.au/latest-news/> and click on the Spotlight button or the dates listed for any previous edition.
